HOW TO GET INTO PHARMACY SCHOOL

*SLIDES WILL BE POSTED ON BETHUNE.YORKU.CA/EVENTS*
WHO ARE WE?

- **Samantha Dungca**
  - 2nd year Chemistry Major, currently enrolled in ConEd
  - SOS Peer Mentor
  - SOS Senior Student Ambassador

- **Anuja Dua**
  - 2nd year Biomedical Science Major
  - SOS Peer Mentor
  - SOS Student Ambassador
AGENDA

- Canadian Pharmacy Schools
- Focus on requirements for Ontario schools:
  - University of Toronto
  - University of Waterloo
- PCAT
CANADIAN PHARMACY SCHOOLS

- Newfoundland
  - Memorial University of Newfoundland

- Nova Scotia
  - Dalhousie University

- Quebec
  - Université de Montréal
  - Université Laval
  - NOTE: French proficiency test is required
CANADIAN PHARMACY SCHOOLS

- **Ontario**
  - University of Toronto *(PCAT)*
  - University of Waterloo

- **Manitoba**
  - University of Manitoba

- **Saskatchewan**
  - University of Saskatchewan
CANADIAN PHARMACY SCHOOLS

- Alberta
  - University of Alberta

- British Columbia
  - University of British Columbia

NOTE: All universities, except for U of T and U of Waterloo, give preference to provincial residents OR require higher GPAs for out-of-province applicants.
Doctorate of Pharmacy (PharmD)

Admits 120 students each year
  • 600 applicants

Four year (44 month) entry-to-practice program:
  • 8 academic terms
  • 3 co-op work terms

Deadline to apply: January 2nd, 2019

UNIVERSITY OF WATERLOO

Academic Requirements

- Minimum overall post-secondary average of 75% (3.3/4.0 or 7.0/9.0)
- Full course load is preferred (30 credits per year)
- PCAT not required
UNIVERSITY OF WATERLOO: PREREQUISITE COURSES

- **Biology**
  - Introductory biology (6 credits):
    - SC/BIOL 1000 and SC/BIOL 1001
  - Genetics (3 credits):
    - SC/BIOL 2040
  - Microbiology (3 credits):
    - SC/BIOL 2905 or SC/BIOL 3150
Chemistry

- General Chemistry with lab (6 credits):
  - SC/CHEM 1000 and SC/CHEM 1001
- Biochemistry:
  - SC/BIOL/BCHM 2020 (3.0) or SC/CHEM 2050 (4.0 – lab component included)
- Organic Chemistry with lab (6 credits):
  - SC/CHEM 2020 (3.0) and SC/CHEM 2021 (3.0)
UNIVERSITY OF WATERLOO: PREREQUISITE COURSES

- **English** (3 credits)
  - To confirm course equivalency, email: pharmacy@uwaterloo.ca
UNIVERSITY OF WATERLOO:
PREREQUISITE COURSES

- Calculus (6 credits):
  - SC/MATH 1505 (6.0)
  - SC/MATH 1013 (3.0) and SC/MATH 1014 (3.0)
  - SC/MATH 1300 (3.0) and SC/MATH 1310 (3.0)

- Statistics (3 credits):
  - SC/MATH 1131 or SC/MATH 2560 (3.0)
  - SC/BIOL 2060 (3.0), HH/PSYC 2020 (6.0),
    HH/PSYC 2021 (3.0), or HH/KINE 2030 (3.0)
UNIVERSITY OF WATERLOO: PREREQUISITE COURSES

- Humanities or Social Sciences
  - 12 credits in any of the following (maximum 6 credits per subject area):
    - Anthropology
    - Psychology
    - Philosophy
    - History
    - Languages
    - Economics
    - Geography
    - Etc...
  - Email the course syllabus to pharmacy@uwaterloo.ca if unsure
## Important Dates:

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
</table>
| Aug 13, 2018 | Applications open.  
  Click here to access the online application.  
  For instructions on navigating the online application, please reference the Online Application Instructions document (PDF).  
  Applications will be acknowledged by email and further information will be provided. |
| Aug 14, 2018 | First Canadian Professional Health Sciences CASPer (Computer Based Assessment for Sampling Personal Characteristics) test date offering. Specific details are posted on the CASPer website. |
| Sep 6-19, 2018 | OUAC shutdown  
  Applications are unavailable during this time. All applications that have been started but not submitted prior to September 6, will be deleted. The application system will be available once again on September 20. |
<table>
<thead>
<tr>

UNIVERSITY OF WATERLOO

Non-Academic Requirements

- Pharmacy Admission Information Form (AIF)
  - Information about yourself and your involvement in extracurricular activities
- References
  - Preferably from a pharmacist, or a physician or nurse (no relatives)
- CASPer Test
  - Limited number of test dates
  - Remaining dates are Dec 4, 2018, Jan 10, Jan 20, 2019
Non-Academic Requirements

- **Interview**
  - Conducted by faculty members and pharmacists

- **Fundamental Skills Assessment**
  - Includes a Reading Comprehension, Writing, and Basic Mathematical Skills Test (under a time limit)
  - Conducted on the same day as your interview

- **Experience**
  - Work or volunteer experience in pharmacy setting
  - Community involvement
  - Full time work experience is ideal
CASPer (Computer Based Assessment for Sampling Personal Characteristics) Test

- Assesses for non-cognitive skills and interpersonal characteristics
- 12 sections of video and written scenarios
- No studying is required for CASPer, but you should familiarize yourself with the test structure
- Limited number of testing dates and times
- Remaining dates are Dec 4, 2018, Jan 10, and Jan 20, 2019
- Check out: www.takeCASPer.com
Co-op Program

- Community: retail pharmacy or family health clinic
- Institutional: hospitals, specialty facilities, or long term care institutions
- Government health agencies
  (Ex. Health policies)
- Pharmacy organizations
- International initiatives
UNIVERSITY OF WATERLOO

Application Checklist:

✓ Online application (OUAC) & pay fee
✓ Complete all prerequisites
✓ Submit AIF
✓ Completed CASPer
✓ Submit reference letter and transcript
✓ Attend interview (if invited)

  - SC/MATH 1131 (3.0) or SC/MATH 1532 (3.0)
  - SC/BIOL 2060 (3.0), HH/PSYCH 2020 (6.0), HH/PSYCH 2021 (3.0), HH/PSYCH 2022 (3.0), or HH/KINE 2030 (3.0)
UNIVERSITY OF TORONTO: PREREQUISITE COURSES

- **English** (3 credits)
  - Examples: EN 1001, 1006, 1101, 1102, 1103, 1201, 1602, 1953
  - **NOTE**: requirement was changed from high school English to university English in the 2017 admission cycle
Humanities or Social Sciences (6 credits)

- Examples: anthropology, psychology (introductory only), philosophy, history, economics, human geography, classics, literature, religion, political science, sociology

- **NOTE:** as of the 2017 admissions cycle, languages no longer fulfill this requirement
UNIVERSITY OF TORONTO

- Non-Academic requirements
  - PCAT
  - Interview
  - Reference letters and personal profiles are NOT required
Interview

- Multiple-Mini Interview (MMI) format
- 8 – 10 interviews, 6 – 7 minutes long each
- Interviewees are given a question/scenario and are required to discuss or enact their response
- Questions/scenarios assess non-academic attributes
  - Examples: conscientiousness, accountability, problem solving, emotional intelligence, ethical reasoning, communication skills, leadership, resilience

http://www.pharmacy.utoronto.ca/pharmd/admissions/interviews
Sample interview question:

Dr. Jackson frequently recommends homeopathic medicines to her patients. There is no widely accepted theory to suggest how homeopathic medicines work; indeed Dr. Jackson does not believe these medicines do work. She recommends homeopathic medicine to people with mild and nonspecific symptoms such as fatigue, headaches and muscle aches, because she believes that it will do no harm but will give them reassurance. Consider the ethical problems that Dr. Jackson’s behaviour might pose. Discuss these issues with the interviewer.
UNIVERSITY OF TORONTO

PHARMACY COLLEGE ADMISSION TEST (PCAT)

- U of T application requirement
- Length: 3 hours 25 minutes + 15 minute break
- Questions: 192 multiple choice items and 1 writing prompt
- Register online at www.pearsonvue.com/pcat/
- Registration Fee: $210
- May write test up to 5 times
- Practice tests may be purchased on the website
PCAT

- 4 testing windows: July, September, October/November, January
  - January 3-4 2019
    - Registration deadline: November 2\textsuperscript{nd} 2018
    - Late registration deadline: December 12th 2018
  - February 1-14 2019
    - Registration opens December 20 2018
    - Registration deadline: January 16 2019
    - Late registration deadline: January 23 2019

First come, first serve basis

https://www.pcatweb.info/downloads/About/ImportantPCATDates.pdf
PCAT: FORMAT

- 5 sections
  1. Writing
  2. Biological Processes
  3. Chemical Processes
  4. Critical Reading
  5. Quantitative Reasoning
- Must achieve a minimum standard in each section

PCAT: FORMAT

- New PCAT format effective 2016
- No verbal ability section
- 40% of the biological and chemical processes sections require that you use knowledge and analytical skills to answer passage based questions on research studies and experiments
- 40% of the critical reading section is composed of humanities and social science passages
- The quantitative reasoning section contains a greater proportion of basic math and algebra, and fewer calculus and pre-calculus questions

https://www.pcatweb.info/PCAT-Updates.php
Writing (30 minutes, 1 prompt)

- Provide a solution to a given problem/prompt
- Essay format
- Writing prompt content objectives
  1. Health issues
  2. Science issues
  3. Social/cultural/political issues
- Sample Prompt:
  Aging populations and growing shortages of organ donor supplies result in thousands of deaths each year of people on waiting lists in the U.S. from such conditions as chronic lung disease, kidney failure, and coronary heart disease. Discuss a solution to the problems resulting from insufficient supplies of donated human organs.
Biology (40 minutes, 48 questions)

- General biology
- Microbiology
- Human Anatomy and Physiology
- Sample question: Which sphincter in the G.I. Tract controls movement of chyme from the stomach into the small intestine?
  a. Cardiac
  b. Pyloric
  c. Ileocecal
  d. Anal
Chemistry (40 minutes, 48 questions)

- General Chemistry
- Organic Chemistry
- Basic Biochemistry Processes
- Sample Question: What is the product of ethyne with water and H2SO4 in HgSO4?
  a. CH2CH2
  b. CH3CHO
  c. CH3CH3
  d. CH3CH2OH
Critical Reading (50 minutes, 48 questions)

- 3 sections:
  - Comprehension
  - Analysis
  - Evaluation
- 40% includes interpretation, analysis, and evaluation of passages regarding humanities/social sciences
PCAT: QUANTITATIVE REASONING

Quantitative Reasoning (45 minutes, 48 questions)

- Basic Math
- Algebra
- Probability & Statistics
- Pre-Calculus
- Calculus

- 50% involves a practical scenario/situation
*Online standard calculator provided
Percentile ranks based on new norms (first time test takers from July 2011 - January 2015)

Writing:
- 6 point scale

All else:
- SS: Scaled score (200-600)
- PR: Percentile rank (1-99)

Example: “Biological Processes” SS= 407, PR: 70

Composite Score provided as well
Minimum PCAT percentile scores required to proceed to Interview stage:
