Dear students,

The Lassonde Student Government (LSG) is issuing a call to all undergraduate students for nominations to fill vacancies on Faculty Council Committees for 2020-21. Nominations will close on Monday, June 1, 2020.

The Lassonde Faculty Council is a forum where members of the Lassonde School of Engineering approve academic planning, curricular and research items, and discuss matters relating to the development of the School. Students will gain an understanding of the intricate systems of governance of the University and the Lassonde School of Engineering. More information on the Faculty Council committees and their responsibilities can be found here.

All inquiries and nominations should be sent to the attention of Kushagra Thakur, VP Academic, LSG. Below is a list of undergraduate student-designated vacancies.
